I declare that to the best of my knowledge and belief that the answers given above are true. If a licence is granted I undertake to comply with the general law and the Council's conditions attached to the licence.

This Authority is under a duty to protect the public funds it administers, and to this end may use the information you have provided on this form for the prevention and detection of fraud. It may also share this information with other bodies responsible for auditing or administering public funds for these purposes. As part of these checks we will also need to retain a copy of your Enhanced Certificate from the DBS for the term of your licence.

Your right to work in the UK will be checked as part of your licensing application, this could include the licensing authority checking your immigration status with the Home Office. You must therefore provide a document or document combination that is stipulated as being suitable for this check. The list of documents is set out in our guidance. You must bring the original document(s), such as a passport or biometric residence permit as indicated in our published guidance, so that the check can take place. The document(s) will be copied and the copy retained by the licensing authority. The original document will be returned to you.

If there are restrictions on the length of time you may work in the UK, your licence will not be issued for any longer than this period. In such circumstances, the check will be repeated each time you apply to renew or extend your licence. If, during this period, you are disqualified from holding a licence because you have not complied with the UK's immigration laws, your licence will lapse and you must return it to the licensing authority, failure to do so is a criminal offence.

APPLICANTS ARE ADVISED THAT TO KNOWINGLY MAKE A FALSE STATEMENT IS A CRIMINAL OFFENCE PUNISHABLE ON CONVICTION BY A FINE.

Explanatory Notes

1. When submitting an application for a licence to drive a hackney carriage or private hire vehicle you must declare any convictions or cautions you have. **Private Hire and Hackney Carriage drivers are exempted occupations for the purposes of the Rehabilitation of Offenders Act 1974, by virtue of the Rehabilitation of Offenders Act 1974 (Exemptions) (Amendment) Order 2002 and convictions are therefore never spent.** The information you give will be treated in confidence and will only be taken into account in relation to your application.
2. The licensing authority is empowered by law to check with the Police for the existence and content of any criminal record held in the name of an applicant. Information received from the Police will be kept in strict confidence while the licensing process takes its course and will be retained for no longer than is necessary.
3. The disclosure of a criminal record or other information will not debar you from gaining a licence unless the authority considers that the conviction renders you unsuitable. The authority will consider the nature of the offence, how long ago and what age you were when it was committed and any other factors which may be relevant. (Authorities may wish to refer to any guidelines to which they adhere). Any applicant refused a driver's licence on the ground that he/she is not a fit and proper person to hold such a licence has a right of appeal to a Magistrate's Court.
4. If you would like to discuss what effect a conviction might have on your application you may telephone the Licensing Officer, telephone number 0345 129 7777, in confidence, for advice.
