Water in Buxton Supplementary Planning Document: Adoption Statement

This statement is published by High Peak Borough Council to fulfil the requirements of regulation 14 of the Town and Country Planning (Local Development) (England) Regulations 2012 (as amended).

The Water in Buxton Supplementary Planning Document (SPD) was adopted by High Peak Borough Council on the 9th December 2021.

The SPD seeks to provide additional guidance in support of policies in the adopted High Peak Local Plan 2016 which aim to protect the quality and quantity of water sources in the Buxton area and to minimise phosphate levels in the River Wye and the Peak District Dales Special Area of Conservation (SAC).

Any person with sufficient interest in the decision to adopt the SPD may apply to the High Court for permission to apply for judicial review of that decision. Any such application for leave to review the decision must be made promptly and in any case not later than 3 months after the date on which the SPD was adopted, that is by Friday 11th March 2022.

Under Section 23 (1) of the Planning and Compulsory Purchase Act 2004, the Council has modified the SPD to take into account representations made in relation to the document and any other relevant matters. A schedule of modifications is appended to this statement.
