Hi Nicola,

I was wondering whether you could pass the below email through to Gareth Wildgoose please? The customer mentions that Gareth said that he would check about where that money for sustainable travel would be intended.

Many thanks,

Dear Hannah,

I forgot to write in this statement about the 60K in the S106. I had asked where this money would go if the development was approved as often I velye e it will go to other parts of the council to spend as they wish and not be spent on sustainable travel. gareth Wildgoose said he would check about where that money for sustainable travel would be intended. I would of course like to add that this money should go to sustainable travel initiatives in Glossop specifically as there are lots of feasibility studies to make sustainable travel better which have no money.

As this development would make this situation worse especially around the A57 and Simmondley lane it should to my mind and Move More Glossop and GAST (as I discussed this with them yesterday. We do of course think this isn't enough but if this is all the developers are being asked to contribute it should go towards sustainable travel infrastructure.

Can you pass this onto Gareth please?

Kind regards

Emma

Dear Emma,

Thank you for your email!

You can just submit some notes yes. They would need to ideally be in a word or pdf document with details of your name and address.

I note that the Inspector will have made notes from every statement read out at the appeal, therefore he will have all of the points which you raised jotted down.

Kind regards,

Dear Hannah,

Julie Greengrass said we could send a copy of the statements we read out. I spoke at the hearing in the AM on Thus 20th June. I didn't actually follow a script but could write up some notes or do you mean these need to be verbatim of what we said?

Kind Regards

Emma Kane, 94 Bowland Road, Simmondley, Derbyshire, SK13 6PF
